

# EARTH ADVENTURE NEWS

Edition 3 ~ Autumn / Winter 2010

Hi there,

Earth Adventures is getting ready for the bushwalking season and have some exciting trips planned. As well as our Pathfinders Sunday walks we have programmed a Gammons Ranges trip (limited to 7 people, so get in quickly!). Enjoy the rugged terrain of the Northern Flinders on our 6 day trip.

Rock climbing is also a big focus in our Autumn / Winter program. Not only do we have our 1 day Come 'n' Try climbing days, we also have a new 2 day course for those of you who want to learn more about the set up of climbs and equipment you need to go out and continue to climb yourself. For the very keen climbers we have a Grampians Bushwalk / Climbing tour, see the Best of the Grampians and experience climbing in a World renowned area.

Throughout the winter months we still have our basic skills kayaking courses programmed in, so if you're keen to learn how to kayak, book onto one of our Garden Island Courses and be ready to join us on our sea kayaking trips starting in November!!!

Our web site is up and running so check it out. It now includes our programs and more details on feature events.

If you are interested in any of the events programmed and have a group of 4 or more people give us a call and we can arrange your own session!

Check out our programs and for more details or to book onto one of our trips, call 8165 2022 or email [info@earthadventure.com.au](mailto:info@earthadventure.com.au)

Kind Regards, Christine Perry
